Call for entries

La.Meko Short Film Festival 2010

The festival is done, long live the festival! Here is the new call for entries!

To make the 2010 festival another succes in the La.Meko annals, you, film-makers from all over the world, may send your submissions as from now, to present them to an excited audience in autumn.

Stunning prizes wait for the very best movies, and will be awarded by an expert jury. Furthermore, the audience will nominate its favorite film, plus: there's a Regional Price to win. The cherry on the icing is this year's „Ladies Award“, a special award for women film-makers. This is our compensation for giving all our last year's prizes to men - due to a lack of „female submissions“.

You can send all movies which have a maximum duration of 30 minutes. There are no limitations concerning the content.

So, dear film-makers, show us your awesome, sad, funny, experimental or dramatic movies. We are looking forward to them!!!

Condition for participation

- Two submissions maximum per participant
- Max length (per submission): 30 minutes
- No promotional contents
- Repeatedly submitted entries will be ignored
- Send the preview copy as DVD. The preview copy remains in the archive and cannot be sent back.
- Submissions are not acknowledged receipt

Jury

From all submissions, the La.Meko pre-jury nominates the ones to be publicly presented at the 9th La.Meko festival 2010. All nominations will be announced in the festival program and on the internet.

An independet panel of experts will award cash and non-cash prizes for different categories. Furthermore, the winner of the Regional Price, the Audience Award and the Ladies Award will be selected.
